Punya Pragati

From the Founder's Desk

Dear friends and all the well wishers of Punya,

I am glad to present you the monthly report of Punya for the month of July 2010. It has been 6 months of togetherness with the Punya team and yes I can proudly say that Punya has made a difference to few lives! This small initiative is now gaining momentum with more people becoming aware of Punya.

Punya seeks to strengthen and develop human resources that act upon true, and right direction, ultimately nurturing the bonds of the community spirit and striving for sustainable human development

Last month, Punya volunteers executed two projects each in Pune and Bangalore. I have included all the details of the projects along with the snaps and the acknowledgement in this report. I assure all the Punya donors that their hard earned money is reaching the right place through right channel.

This month's fundraising efforts has generated a whopping **Rs. 39603** from 15 donors. This is the highest amount generated in any month till date! A big thanks to our donors without their support and trust, we wouldn't have reach today.

I look forward to your comments/suggestions on this report. I wish you all happy days ahead! And please remember our commitment continues! ☺

In deep gratitude, I remain for your trust and support!

Kudos Corner – July 2010

This month's star volunteer for Punya is Priya Singhi from Punya Chennai Team. She has been with Punya right from the day one! She currently manages the accounts of Punya and also assists in Project planning. She is the mastermind for the event conducted in Pune for the month of July 2010. She was instrumental in getting the computer system from World Bank. She has shown a positive spirit to take on additional responsibilities in Punya. We wish her all the best to keep on serving the underprivileged with the same determination and focus. Way to go ! Cheers, Priya!
