# Punya Pragati

## From the Founder's Desk

Dear friends and all the well wishers of Punya,

It is my pleasure to present you the monthly report of Punya for the month of May 2010. This month has been full of significant initiatives and approaches in our effort towards finding socially responsible projects and enchanting collaborations with other NGO's.

We are now with all confidence and enthusiasm stepping in the fifth month of our operations and it's a sheer pleasure to be a part of the growing Punya community across cities.

This month's fundraising efforts has generated Rs 20502 from 23 generous donors. With the 100% dedication and commitment, Punya team members were able to execute two events in Chennai and Bangalore for the month of May 2010.

In building the foundation of Punya, I would like to acknowledge the support of all the donors of Punya across the globe who have been showing unflinching faith and trust in our activities. We sincerely hope to broad base this support and hope to also increase the magnitude of work over the next few months.

I look forward to your comments/suggestions on this report and on the roles that PUNYA should play in the future. I wish you all happy days head! And please remember our commitment continues! ☺

Siddhartha Jain, a punyate and employee of Cognizant is a self starter and self motivated. His urge to learn more and contribute back to society is really inspiring. He was instrumental in identifying and conducting the feasibility studies for a project called " LOTUS BLIND SCHOOL FOR GIRLS" in Chennai. He is willing to do more and take additional responsibilities at Punya. For sure, he will be a true asset to Punya and the society! Way to go SID 😊
